Sub: LIVESTOCK - Combined Sheep and Cattle farms, Kurukuppi
in Bellary District - Oil Engine and petrol pump
Purchase - Sanction - Requested.
Ref: Government Order No.Ms.2022, Development Department,
dated 7-5-1947.

The Livestock Development Officer has recommended the purchase of a 10 H.P. Oil engine for the combined sheep and cattle farm at Kurukuppi for irrigation and cultivation. The oil engine is to be fitted up in the largest well in the farm to facilitate irrigation of about 40 to 50 acres. An engine of the type required is estimated to cost of Rs.6000/-. In view of the urgency to open the farm early and to raise the necessary fodder crops, I requested the Agricultural Department to spare a pump set for the farm. Accordingly a petrol pump set has been purchased from the Agricultural Department on 17-8-1948 at a cost of Rs.1300/- in anticipation of Government sanction. It is proposed now to use the petrol pump by rotation in the different wells in the farm area as and when required and fix up the oil engine pump permanently in the well in S.No.83/84. I agree with the recommendations of the Livestock Development Officer. I request Government may be pleased to approve my action in having purchased the petrol pump set from the Agricultural Department in anticipation of Government sanction and also accord necessary sanction early for the purchase of the petrol pump set and a 10 H.P. oil engine for the farm at a total cost of
